

Jamaica

May 31-June 6, 2008

This will be CHC's 11th trip to the Jamaican coastline to assist IsleGo Missions in their efforts on the island. This tiny island has become one of the favorite ministry locations for us at Colonial Hills.

Pray about your role in the ministry to Jamaica, and ask God if it is time for you to experience this opportunity for yourself.

If so, please complete an application form, which can be found in the Missions Corner of the foyer and turn it in to the church office.

Jamaica

The ministry of Colonial Hills in Jamaica is that of great proportions. We have been directly involved in the building of the Grace Community Center by providing many dollars in funding for the construction, by providing labor to physically build the structure and by ministering to the local people whose lives will be impacted by the outreach and ministry of the center. Our influence there reaches outside the walls of the center by building homes in the area and providing ministry to the Deaf School and the Girl's Home.

The island of Jamaica has become one of our primary Mission focuses.....building relationships, reaching out to the local population, holding Kids' Kamps to teach the school children of the community the stories of the Bible, and showing the love of Christ Jesus to the residents of Jamaica.

We have been partners with the mission organization IsleGo, operated by Dusty and Corrine Cooper, for seven years and have found their ministry to the Jamaican people to be one of sincerity and loving acceptance.

The experience that you will share here on this island is one that you will remember for your entire life.

The cost of this trip is approximately \$1375 per person. **The application process must be completed by Monday, April 28, 2008 for this trip.** Your completed application and a **non-refundable** deposit of \$150 is due at this time.
